

## Time of Corona

*Time of corona  
Family dinners  
Card games  
Movie nights  
Fires on the terrace, marshmallows oozing*

*The stars at night  
The quiet  
And birds chirping  
In blooming trees  
Springtime*

*But out there  
On the front lines  
Dying alone  
Lives unfinished  
Goodbyes unsaid, the helplessness and sorrow*

*Food lines  
A THOUSAND CARS LONG  
Jobs lost  
Homes lost  
Lives upended*

*“Essential” workers  
Risk their lives  
Keep their jobs  
Worried families  
Is it worth it?*

*Flattening the curve  
Still no testing  
Still no plan  
Still no vaccine  
Still no cure*

*Day 52  
Where do we go from here?*
